The second grade Pleadership Examination appears to have been abolished (Vide Lawrence Hayden's Press Manual, 1915, page 495) For admission into public service in Madras, the Mysore School final certificate is accepted (Vide DO page 468, 25th), under rule 2

Letter No.8370/1403 dated 4th November 1915 from the Inspector General of Education in Mysore to the Secretary to the Board for the Management of the Mysore Local Service and Pleaders' Examinations, Bangalore.

With reference to your No.68 of the 15th October 1915, I have the honour to state that such holders of the Madras Secondary School-Leaving Certificates as are deemed qualified for admission to the Public Service in the Madras Presidency may be admitted to the Second Grade Pleaders' Examinations of Mysore. In Madras, a candidate who has obtained a completed Secondary School-Leaving Certificate issued under the authority of Government of Madras, showing that he possesses sufficient knowledge in the ordinary subjects and in two optional subjects, is deemed qualified for admission to the Public Service and the heads of Departments and others making appointments are also invested with the discretion of selecting those holding the best certificates. As the above rule however is somewhat vague, I am of opinion that such holders of the Madras Secondary School-Leaving Certificates as are eligible for Public Service according to the Mysore standard, i.e. as have secured, after moderation, marks not below the State or Presidency average in English, Vernacular and Elementary Mathematics and in at least one of the optional subjects, may be admitted to the Second Grade Pleaders' Examinations of Mysore.

SIR,

I am directed to state that at a meeting of the Board held on the 2nd.December 1915,it was resolved that for purposes of the Mysore Local Service Examinations a completed Secondary School Leaving Certificate issued - under the authority of the Government of Madras,will be - treated as equivalent to a completed Secondary School Leavin Certificate of Mysore; but as this would not allow holders of certificates to appear for the 2nd Grade Pleaders'Exa - minations,a reference was made to the Chief Court of Mysore on the subject and a reply was recieved to the effect that Rule 111 (1) (c) of the Legal Practitioners Rules is based on G.O. letter No. 3249/Edu:6-12-7 dated 2nd September 1913, and does not expressly include Madras Certificates and if they are to be accepted that the rule should be amended. Copy of letter No.3546/279 dated 27 January 1916 from the Registrar of the Chief Court is herewith sent.)

Under the circumstances stated above I am to request that you will be so good as to obtain the -

the definite orders of Government on the subject.

As applications for the Examinations are being received, early orders are solicited.

I have the honor to remain,

To

G.Sreenivasa Iyer,Esquire,B.A. ,M.L,
Secretary to the Board for the Management
of the M.L.S. and Pleaders' Examinations ,
B a n g a l o r e .

Sir,

In reply to your letter No,97 dated the 18th Instant ,requesting to obtain and forward the opinion of the Judges of this Court whether the expression "Completed Secondary School Leaving Certificates "appearing in Rule 111 (1) (c) of the Legal Practitioners' Rules, includes certificates granted by the Local Governments in British India and by other Native States, and if so, whether the standard is deemed sufficient for admitting holders of such certificates to appear for the Second Grade Pleaders' Examinations, I am directed to state that the rule seems to have been based on letter No.3249 /Edn:6 -12-7 dated the 2nd September 1913 - from the Secretary to Government, General and Revenue Departments and that the "certificate" of our rule is the certificate of a person declared eligible for admission to the - Public Service or the College Course. Such declarations are not, the Judges understand, made in British India and if the - Government is prepared to accept British Indian Certificates a standard will have to be fixed. As this has not been done the Judges consider that the rule was intended to refer to

to Mysore Certificates only: they alone were refered to above and in letter No.1250 /104 dated the 11th September 1913 from the Chief Court to the Secretary to the Government.

The Judges think too that inasmuch as our rules do not expressly include British Indian Certificates they ought to be construed as being confined to those certificates which are granted by our own authorities . They are therefore of opinion that Madras certificates are not within the rule.

I am to add that if they are to be accepted the rule must be amended and a standard fixed, and the Judges see no reason why anything lower should be accepted than that which in Madras is required for admission to college courses , and that seems to be something higher than the Presidency average .

The file received with your letter is herewith returned

I have the honor to be,

Sir,

Your most obedient servant,
